Delta State University
ART DEPARTMENT

PORTFOLIO GUIDELINES

Include only your best work. Six to ten pieces should be sufficient. Your portfolio should display your interests and ability as a beginning artist. Those works which reflect strong creative and conceptual skills as well as artistic ability should be included. Do not include copies you may have done of other artists' works. We would prefer to see your original art and design.

Artwork should be matted. If you cannot mat each piece, be sure the art presents a neat appearance. You might consider top mounting the piece. Three dimensional work may be included. If these pieces are too large to bring, a photograph of the work may be included in the portfolio.

If you have any questions, please call the Delta State Art Department at 662-846-4720 or email us at artinfo@deltastate.edu.

FILL OUT APPLICATION FORM AND MAIL TO: DSU ART DEPARTMENT, DSU BOX D-2,
